## Any shape and any style

- Our designers create the exterior and interior structure of capsule house based on customer requirements.
- We offer customized decoration styles and interior layouts for the capsule house purchased by our clients.
- Tens of thousands of furniture, decor items, appliances, and bedding options are available for clients to choose from.
- Of course, utilizing our existing capsule house designs would result in a much more affordable price.

## Safety

- Waterproof Rating: IP66
- Seismic Intensity Resistance: Level 9
- Wind Resistance Rating: Level 12 Typhoon
- Snow Load:  $sk=1.66kN/m^2$
- Successfully endured a 4-hour fire resistance test, with the main structure and interior cabinets remaining intact and undamaged.

## 24/7 Technical support

- We offer round-the-clock technical support to assist customers in resolving any issues encountered during the installation, residence, and maintenance of capsule house.
- If needed, we can also provide organization and storage of intelligent system data to help you save on data server expenses.
